O R D E R:-

In the references 3<sup>rd</sup> & 4<sup>th</sup> read above, the Engineer-in-Chief(Irrigation) has stated that the Chief Engineer (P), Mahaboobnagar his letterdt: 12-05-2016 has submitted the feasibility report for allocation of 4256 KL per day (0.055 TMC Per Annum ) of water from Krishna River to M/s RaagaMayuri Mega Food Park and he has further stated that then District Collector, Mahaboobnagar vide letter dt: 06-04-2016 has informed that the Ministry of food processing industries, Government of India have approved RaagaMayuri Mega Food Park at Putandoddi (V), Itikyal (M), JogulambaGadwal District and it will benefit the farmers of Agriculture Horticulture and Dairy sectors and create employment for 10000 people and also requested to examine the feasibility of providing 4256 KL (54.86 Mcft per Annum) of water per day from Krishna River to the industrial units coming up in the park.The Executive Engineer, PJP Dam Division No.2, Nandimalla inspected the proposed site of Food part near Putandoddi (V), and the proposed intake well point Krishna River near Sasanoor (V) Itikyal (M) (Location plan enclosed) and reported that it is possible to draw water from the Krishna river for industrial units coming up in the RaagaMayuri Mega Food Park@ 4256 KL of water per day (i.e. 0.055 TMC per annum).

2. The Engineer-in-Chief (Irrigation) has requested the Government duly recommending to accord permission for considering the meager quantity of water to allocate 4256 KL of water per day (i.e. 0.055 TMC per annum) to M/s RaagaMayuri Mega Food Park Pvt., Ltd from the available surplus flows of River Krishna, subject to the terms and conditions apart from usual terms and conditions.

3. Government after careful examination of the proposal hereby accord permission for drawl of 4256 KL of water per day (i.e. 0.055 TMC per annum) to M/s RaagaMayuri Mega Food Park Pvt., Ltd at Puttandoddi (V), Itikyal (M), JogulambaGadwal District from the available surplus flows of River Krishna and subject to payment of water rate for consumptive use and as per Government orders vide G.Os 1<sup>st</sup> and 2<sup>nd</sup> read above at the rate as fixed by Government from time to time and subject to the concurrence of District Collector, JogulambaGadwal District and the clearance of Pollution Control Board and subject to the following Special terms & Conditions apart from usual terms & conditions and also subject to obtaining other Department permissions as per Law/Rules :

1. The firm should make its own arrangements for creating storage facilities to avoid drawls from river during non- monsoon period.
2. The department would not be responsible of non-supply /non availability of water due to any reason in any particular water year.

// 2 //

3. The annual requirement of water of 0.055 TMC is to be spared from surplus waters of river Krishna.
  4. The utilization should not exceed 0.055 TMC per annum under any circumstance and necessary measuring arrangements have to be made by the firm.
  5. The entire cost of the water supply scheme shall be borne by the agency and make necessary arrangements at his own cost.
  6. The agency shall pay the prevailing water rate for consumptive use of water.
4. The Engineer-in-Chief (Irrigation), I&CAD Department, Hyderabad shall take necessary action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF TELANGANA)
